Independent Auditors' Report

To the Board of Directors of The Children's Aid Society of London & Middlesex:

Report on Financial Statements

Opinion

We have audited the financial statements of Children's Aid Society of London & Middlesex (the "Organization"), which comprise the statement of financial position as at March 31, 2020, the statements of operations and changes in fund balances, cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at March 31, 2020, and the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Matter

The financial statements for the year ended March 31, 2019 were audited by another accountant who expressed an unmodified opinion on those financial statements on June 19, 2019.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the
 circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

1. Purpose of the Organization

Funded by the Ministry of Children, Community and Social Services, The Children's Aid Society of London & Middlesex (the "Organization") provides child welfare services mandated by the Child, Youth and Family Services Act. Services include child protection, investigations, ongoing protection and support services to families in the community as well as child and youth in care services (including foster, group and adoption placements).

The Organization is exempt from income taxes under section 149(1)(d) of the Canadian Income Tax Act.

2. Summary of significant accounting policies

The financial statements have been prepared by management of the Organization in accordance with Canadian public sector accounting standards and reflect the following significant accounting policies:

Fund accounting

In order to ensure observance of limitations placed on the use of resources available to the Organization, the accounts of the Organization are maintained in accordance with the principles of "fund accounting". Under these principles, resources for various purposes are classified for accounting and reporting purposes into funds that are in accordance with activities or objectives specified.

The operating fund accounts for the Organization's operating activities.

The capital fund accounts for the Organization's real estate activities and capital equipment. The balance in this fund represents the net investment in capital assets.

The restricted funds account for grants, endowments, trusts and other charitable activities which are distinct from the operating activities of the Organization.

Revenue recognition

The Organization follows the deferral method of accounting for contributions.

The Organization is funded primarily by the Province of Ontario in accordance with budget arrangements established by the Ministry of Children, Community and Social Services. Recharges, recoveries and other and grants are recorded as revenue in the period to which they relate. Where a portion of a grant relates to a future period, it is deferred and recognized in that subsequent period.

Federal child benefits, restricted contributions and fundraising are recognized as revenue when received.

Interest income is recognized as it is earned.

Cash

Cash includes cash on hand and balances with banks. Bank borrowings are considered to be financing activities.

Restricted cash

Restricted cash consists of externally restricted funding by the Ministry of Children, Community and Social Services (the "Ministry") for directives such as the Registered Education Savings Plan (RESPs) and Ontario Child Benefit equivalent (OCBe) programs.

For the year ended March 31, 2020

2. Summary of significant accounting policies (continued from previous page)

Property, buildings and equipment

Purchased capital assets are recorded at cost. Contributed assets are recorded at fair value at the date of the contribution. Amortization is provided using the straight-line method over the estimated useful lives of the assets, at the following annual rates using the half-year rule during the year of acquisition.

Buildings	4%
Computer equipment	20%
Furniture and equipment	10%
Leasehold improvements	5%

Contributed services

The work of the Organization is partly dependent on the voluntary services of members of the community. Donated services are not recognized in these financial statements due to the difficulty in determining their fair value.

Financial instruments

i) Measurement of financial instruments

The Organization initially measures its financial assets and financial liabilities at fair value adjusted by, in the case of a financial instrument that will not be measured subsequently at fair value, the amount of transaction costs directly attributable to the instrument.

The Organization subsequently measures its financial assets and financial liabilities at amortized cost.

Financial assets measured at amortized cost include cash and accounts receivable and receivables from the Ministry.

Financial liabilities measured at amortized cost include bank indebtedness, accrued vacation pay, accrued payroll and other accounts payable and accrued liabilities.

ii) Impairment

Financial assets measured at amortized cost are tested for impairment when there are indicators of possible impairment. When a significant adverse change has occurred during the period in the expected timing or amount of future cash flows from the financial asset or group of assets, a write-down is recognized in the Statement of Operations and Changes in Fund Balances. The write-down reflects the difference between the carrying amount and the higher of:

- a) the present value of the cash flows expected to be generated by the asset or group of assets;
- b) the amount that could be realized by selling the assets or group of assets;
- c) the net realizable value of any collateral held to secure repayment of the assets or group of assets.

When the event occurring after the impairment confirms that a reversal is necessary, the reversal is recognized in the Statement of Operations and Changes in Fund Balances up to the amount of the previously recognized impairment.

Future benefits - non-vesting sick leave benefits

On retirement, the Organization provides for the payout of a portion of accrued sick pay for management and other eligible employees. Defined benefit plan retirement costs are calculated using the projected benefit method pro-rated on services and actuarial assumptions which reflect management's best estimate of the effects of future events. Market related values are used in the valuation of retirement fund assets.

For the year ended March 31, 2020

2. Summary of significant accounting policies (continued from previous page)

Use of estimates

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the period. Estimates are used with accounting for such items as the useful life of property, buildings and equipment and providing for the accrued benefit obligation. Actual amounts may differ from estimates.

3. Contracts with Ministry of Children, Community and Social Services

The Organization has service contracts with the Ministry of Children, Community and Social Services. One requirement of the contracts is the production by management of a Transfer Payment Annual Reconciliation (TPAR) which shows a summary by service of all revenues and expenditures and any resulting surplus or deficit that relates to the contract.

The Fund Balance shows the surplus (deficit) position under these contracts as at March 31, 2020. The surplus (deficit) in a TPAR report will generally differ due to specific instructions for TPAR preparation.

In 2014, the Ministry of Children, Community and Social Services announced the creation of a "Balanced Budget Fund" to support Children's Aid Societies in meeting the balanced budget requirements outlined in Regulation 70. The Balanced Budget Fund is specific to each Agency and reflects the accumulated surplus that was returned to the Ministry each year. Contributions to the Balanced Budget Fund expire after three years. To be eligible to access these funds, the Agency must meet two conditions:

- 1) The Agency must have generated a prior year surplus recovered in or after 2013-14; and
- 2) The Agency must require additional funding in a future year for child welfare operations to not incur a deficit. The required amount cannot exceed the total accumulated balanced budget fund and withdrawals from the fund must be approved by the Ministry.

4. Restricted cash

	2020	2019
RESP funds in trust	\$ 790,259	\$ 683,981
OCBe funds in trust- savings program	 447,527	419,042
	\$ 1,237,787	\$ 1,103,023

Pursuant to Ministry Policy Directive CW005-16, the Organization sets aside a portion of Children's Special Allowance Funds, equivalent to the former federal UCCB payment, to establish Registered Education Savings Plans (RESPs) for eligible children in care.

Restricted cash related to RESPs held in trust represent such funding not yet contributed to an RESP. At March 31, 2020, \$790,259 (\$683,981 in 2019) of funds are held in trust as the recipients of these funds are not eligible to set up an RESP account.

OCBe savings program

Similarly, a portion of the OCBe relating to children aged 15-17 is being held as savings per a 2008 Ministry of Children and Youth Services directive. The Ministry updated the directive in 2018.

OCBe activities program

Not all OCBe funds are required to be held in trust for the children and can be spent on children in the Organization's care as long as they are younger than 18 years of age. In the current year, \$29,766 (\$nil in 2019) of OCBe funds have not been spent on eligible children and are recorded in accounts payable.

For the year ended March 31, 2020

5. Property, buildings and equipment

			2020	2019
		Accumulated	Net book	Net book
	Cost	amortization	value	value

	\$ 14,456,142	\$ 11,090,552	\$ 3,365,590	\$ 3,540,219

Included in property, buildings and equipment is a parcel of land donated to the Organization by the Province of Ontario for consideration in the amount of \$1. The land is recorded at the appraised value of \$1,030,000 at the time of the donation. In the event of its future sale by the Organization, all proceeds of disposition realized at that time must be returned to the Province of Ontario.

In addition, a portion of the costs of construction of the Organization's building on the land were contributed by the Province of Ontario, the City of London and the County of Middlesex. In the event of a future sale of the building by the Organization, the proceeds of disposition are to be returned to the Province of Ontario, the City of London and the County of Middlesex in proportion to their contributions.

Included in capital assets are additions of \$198,958 (\$806,977 in 2019).

6. Bank indebtedness

The Organization has bank indebtedness of \$603,510 (\$2,422,075 in 2019). In the current year, the Organization has available to it a revolving demand loan facility of \$3,000,000 (\$3,000,000 in 2019). The secured facility bears interest of prime less 0.25%

The facility is secured by a General Security Agreement ("GSA") representing a First charge on the Borrower's present and after acquired personal property and assigned (or evidence) of Fire Insurance.

The Organization is required to comply with certain non-financial covenants. As at March 31, 2020, the Organization was in compliance with these covenants.

For the year ended March 31, 2020

7. Deferred revenue

Deferred revenue represents funds received for specific purposes. The balances and transactions are summarized as follows:

	beginn	Balance, ing of year	Funds received	Transfer to operations	Balance, end of year

For the year ended March 31, 2020

8. Pension plan and other employee future benefits

OMERS pension plan

The Organization makes contributions to the Ontario Municipal Employees Retirement System ("OMERS") pension fund, which is a multi-employer plan, on behalf of 375 of its staff. The plan is a defined benefit plan, which specifies the amount of retirement benefit to be received by the employees, based on the length of service and rates of pay. The amount contributed to OMERS for fiscal 2020 was \$2,497,469 (\$2,476,103 in 2019) for current service costs and is included as an expense in the statement of operations.

Non-vesting sick leave benefits

The eligibility and coverage are:

- All full-time bargaining unit employees and all management members are eligible for a credit of 2 sick days for each
 month of service. The unused portion of an employee's sick leave will accrue up to a maximum of 120 days.
- All full-time bargaining unit employees hired prior to June 27, 2000 and all management members, that have 10 or
 more years of continuous service, and cease to be employed because of pensionable retirement to OMERS due to
 age, disability or death, will be paid an amount equal to 50% of their accumulated sick leave at their current salary
 or wage rate not to exceed 50% of the employee's annual salary or wage.

The Organization measures the accrued benefit obligation for accounting purposes as at March 31 of each year.

9. Restrictions on use of fund balances

Funds held in trust

At March 31, 2020 there were 590 children (602 in 2019) with RESP accounts, with \$187,403 (\$228,863 in 2019) of funding contributed to these RESP accounts in the current year. These funds are held in trust in the children's' names and are not included in the Organization's assets.

10. Operating fund deficit

Government funding does not provide for vacation pay or accrued benefits that have been incurred but not paid. However, funding is provided for these obligations as payments are made.

The accumulated operating fund deficit is comprised of:

	2020	2019
Accrued vacation and compensation time	\$ 2,652,166 \$	2,689,912
Accrued benefit obligation	1,025,747	1,105,725

13. Ministry services contracts

During the year, funds are provided by the Province of Ontario under the terms of the various service contracts and the amounts expended by the Organization during the year. As these funds do not directly relate to the operations of the Organization, the funds received and distributed are excluded from the statement of revenues and expenses, with the exception of the A710 contract. The revenue related to capital funding was recognized in the statement of revenues and expenses since the item was set up as a capital asset. For all contracts, if all funds were not spent by year-end, the funds are payable back to the Province of Ontario and are presented in accounts payable. The funds received and distributed for the programs are disclosed in Schedule 2.

For the year ended March 31, 2020

15. Financial instruments

Unless otherwise noted, it is management's opinion that the Organization is not exposed to significant risks arising from these financial instruments.

There have been no changes in risk assessment from the prior year's financial statements.

Interest rate risk

Interest rate risk refers to the consequences of interest rate changes on the bank indebtedness. The demand loan secured facility bears interest at prime less 0.25%. This floating rate instrument subjects the Organization to a cash flow risk.

Credit risk

The Organization collects balances from the Province of Ontario in the normal course of its operations and due to the nature of the receivables, the Organization does not need to maintain a provision for losses.

Liquidity risk

Liquidity risk is the risk of being unable to meet a demand for cash or fund obligations as they come due. The Organization manages its liquidity risk by constantly monitoring forecasted and actual cash flow and financial liability maturities. Accounts payable and accrued liabilities are generally repaid within 30 days. As for the revolving demand credit facility, the bank can demand repayment and/or cancel the availability of the facility at any time in its sole discretion.

16. Contingent liabilities

The Organization has accrued for \$19,729 (\$10,000 in 2019) in other accounts payable and accrued liabilities on the statement of financial position for the deductible portion of outstanding claims for which the Organization is fully insured.

The Organization is party to legal actions arising in the ordinary course of operations. While it is not feasible to predict the outcome of these actions, it is the opinion of management that the resolution of these matters will not have a material adverse effect on the operations of the Organization. The Organization maintains an adequate level of insurance coverage.

For the year ended March 31, 2020

17. Comparative figures

The financial statements have been reclassified, where applicable, to confirm to the presentation used in the current year. The changes do not affect prior year earnings.

18. Significant events

During the year-end, there was a global outbreak of COVID-19 (coronavirus), which has had a significant impact on businesses through the restrictions put in place by the Canadian, provincial and municipal governments regarding travel, business operations and isolation/quarantine orders. At this time, it is unknown the extent of the impact the COVID-19 outbreak may have on the Organization as this will depend on future developments that are highly uncertain and that cannot be predicted with confidence. These uncertainties arise from the inability to predict the ultimate geographic spread of the disease, and the duration of the outbreak, including the duration of travel restrictions, business closures or disruptions, and quarantine/isolation measures that are currently, or may be put, in place by Canada and other countries to fight the virus. While the extent of the impact is unknown, we anticipate this outbreak may cause an increase in cases as families struggle with the pandemic. The Organization is still providing service to the community but working remotely and responding to cases while following Public Health Guidelines. The Ministry has indicated that there will be no changes to the funding formula for the coming year.
